

WC Online Sign Up Instructions

1

Scan the QR code to take you to the WC Online Tutoring Website home page to get started!

SCAN ME

2

Click "register for an account" if you have not already!

3

Log in using the email and password from the registration.

4

To select the course you want a tutor for, click the "show all course options" button in the middle of your screen. This is under the "display options" box.

5

Scroll through the list to find the class you want, and click on it (ex. "MTH 1010 only").

WC Online Sign Up Instructions

6

Scroll down the screen to see the available days and times of each tutor for that class.

7

The white boxes indicate the times the tutor(s) are available.

8

Click on the empty white box at the time he/she is available. Then fill out the form and save it by clicking "create appointment".
