

ANNUAL PLANNING AND ASSESSMENT, FY2007
THE UNIVERSITY OF VIRGINIA'S COLLEGE AT WISE

Mission Statement

Insert your unit's or department's mission:

The mission of The University of Virginia's College at Wise Campus Police Department is to serve and protect the campus community and to enforce the quality of life on campus. This is achieved in conjunction with the campus community through the enforcement of laws, crime prevention activities, education, and community awareness. The foundation of our department is community service. All people within our jurisdiction are served with respect and fairness.

Outcome/Objective 1

Insert short title:

Students are educated about crime prevention.

Insert full description of outcome/objective:

UVa-Wise residential students are educated in crime prevention and all female students are educated about personal safety.

Enter Accreditation/Professional Standards or other Relevant Associations:

Virginia Department of Criminal Justice Services - Rape Aggression Defense (RAD) certification

Measure 1

Insert short title:

Residence hall crime prevention program data.

Insert full description of measure:

The Training Coordinator will annually assess residence hall crime prevention program data, including programs offered (i.e. alcohol awareness, personal safety and fire prevention), number of programs offered, number of students attended, and student satisfaction.

Related Outcome/Objective: 1

Target Performance Level:

At least one crime prevention program per month will be provided in campus residence halls. Annually, at least 50% of residential hall students will have attended a program.

Measure 2

Insert short title:

Female student personal safety program data.

Insert full description of measure:

The Training Coordinator will annually assess female student personal safety program data. This is

**ANNUAL PLANNING AND ASSESSMENT, FY2007
THE UNIVERSITY OF VIRGINIA'S COLLEGE AT WISE**

achieved by evaluating student attendance and satisfaction of RAD courses conducted by a RAD-certified officer.

Related Outcome/Objective: 1

Target Performance Level:

Four RAD-certified personal safety classes for female students will be offered each academic year; annually, approximately 80 female students will complete RAD courses.

Outcome/Objective 2

Insert short title:

Campus Police Officers maintain certifications to enforce all state and local laws, and campus rules and regulations.

Insert full description of outcome/objective:

The Campus Police Department will consist of officers who are certified by the Department of Criminal Justice Services. They will conduct themselves professionally and will maintain continued standards through mandatory in-service and specialized training programs.

Enter Accreditation/Professional Standards or other Relevant Associations:

Department of Criminal Justice Services
Southwest Law Enforcement Academy

Measure 1

Insert short title:

Mandatory police certification standards.

Insert full description of measure:

Campus Police Officers maintain all mandatory standards set forth by DCJS, attend specialized training programs in search-and-seizure and drug interdiction, and maintain appropriate certifications. The Training Coordinator compiles all training data.

Related Outcome/Objective: 2

Target Performance Level:

100% of Campus Police Officers are certified in at least one specialty area (i.e. RAD, CPR, firearms, or radar).

Measure 2

Insert short title:

ANNUAL PLANNING AND ASSESSMENT, FY2007
THE UNIVERSITY OF VIRGINIA'S COLLEGE AT WISE

Insert full description of measure:

Related Outcome/Objective: 2

Target Performance Level:

Outcome/Objective 3

Insert short title:

Campus parking areas are safe and secure.

Insert full description of outcome/objective:

Campus parking areas have low incidences of vandalism and accidents.

Enter Accreditation/Professional Standards or other Relevant Associations:

Measure 1

Insert short title:

Annual parking lot crime data.

Insert full description of measure:

The Campus Police Sergeant compiles annual parking lot crime data on campus vandalism and accidents involving 'hit and runs' and 'leaving the scene of an accident'.

Related Outcome/Objective: 3

Target Performance Level:

Decrease the amount of parking area crimes by 5% in comparison to the previous year.
