

# TUTORING OPTIONS

## Fall 2022

### PEER TUTORING

*Beginning August 22*

- One on one or group appointments for core classes in several different subjects.
- Tutoring sessions are held in the Academic Support Center in Zehmer Hall. (Quickest way to get there is to go to Room 137 and turn right through the both sets of double doors. The open space following that is the tutoring center.)
- All appointments are in person unless you, the student, request a Zoom appointment, or if your tutor informs you the appointment will be over Zoom. (Very few of our tutors will only tutor over Zoom.) Contact Will Waggoner (ww2nt@uvawise.edu) or your tutor for more info.
- Students can start scheduling appointments during the first week of class, and tutor schedules will be updated in due course.

*To schedule an appointment scan here:*

### SMARTHINKING

*Available Online Any Time*

- Sign up for virtual tutoring (like a chat room appointment).
- This is not done via Zoom.
- Students can sign up on the Smarthinking website to create their account by using the information found in the QR code below:

*Scan here for Smarthinking login instructions:*
