

2025–2026 Verification Worksheet Dependent Student

Your 2025-2026 FAFSA has been randomly selected for the verification process. Federal law states that before Federal aid can be processed you must provide the Financial Aid Office documentation to verify your FAFSA results. If differences are found between what was reported on your FAFSA and the verification documents provided, changes may be made to your financial aid awards. **No federal or state need based financial aid award is guaranteed until this process is completed. Until verification is performed no aid will be applied to your account and no refund will be made to the student.
