

ROOMMATE AGREEMENT

Open resource in Notability and answer questions openly and honestly between roommates. Both roommate's thoughts should be heard & compromises made.

Roommate Names

_____	_____
_____	_____
_____	_____

Cleanliness

General cleaning supplies will be purchased: A. on a rotational basis B. costs split C. buy our own

Our shared space will be: A. Neat B. Messy C. In between

Define and explain what cleaning looks like (who will do what/what we want to handle ourselves/timeline):

Guests

UVA Wise Guest Policy Reminder: Roommates must consent to guests. Overnight guests must be registered using the Overnight Form (on our webpage or the back of your door) and may stay no more than 3 consecutive nights. Guests may not remain in the room without their host present. See the Guide to Campus Living for full details.

How do you want to communicate about allowing guests over? A. Face to Face B. Text

Discuss the following in the box below:

Are you okay with overnight guests? Is it okay if they are a different gender? What times/days of the week would you prefer no guests in the room? How much notice is expected when asking if a guest can come over? Can guests sit on/use each other's bed/sit at the other's desk?

Communication

It is encouraged that you establish a primary method of communication with one another, whether through phone numbers, social media, or another platform. Please exchange that information now if you have not already done so.

Preferred means of communication with roommate(s) during conflict? A. Face-to-face B. Social Media /Text

If one of us is bothered by the action of the other, I prefer to: A. Immediately voice our concerns B. Step away and speak after calming down/reflecting

If leaving for the weekend/a period of time, do you want to notify each other? Yes or No

How do you want to request private time in the room?

Discuss the following in the box below:

What are you comfortable sharing with eachother (appliances, food/drink, clothes, etc.)? While other(s) are sleeping in the space, is it okay to make noise/listen to music/keep overhead light on/have guests over/use appliances/use desk light/watch TV? What do you want the average temperature in the room to be? Do you like to stay up late? Are you an early riser? What is your biggest pet peeve?
