The University of Virginia’s College at Wise – Development Office

Some helpful hints in writing your Scholarship Thank You Note

Congratulations on the honor of being selected to receive a scholarship made possible through the generous support of our private donors. We need your help in appropriately demonstrating to our donors the impact of their support on your education.

Please take a few minutes to write a thank you note to your scholarship donor(s). It will mean a great deal to them to hear from you, and to know that their financial investment is appreciated and is making a difference in your life.

If you need some ideas about what to include in your note, let these suggestions guide you:

- Write about your year in college – freshman, sophomore, junior, senior.
- Write about your major or what you think you are going to major in.
- Write about why you like UVa-Wise – your professors, roommates, classmates, etc.
- Write about what you plan to do after graduation – go to grad school, career, etc.
- Write about how your scholarship(s) make attaining your education more affordable.
- Remember, to thank them for their generous support!

If you are able to attending the Giving Thanks Day event, you can do your notes there. If not, please complete your letters by Nov. 2 and return to the Office of Development located in Bowers-Sturgill Hall. Once we receive your note we will mail it directly to your donor(s).

If you have any questions, please contact the Development Office at 276.376.4523, 276.376.4519 or 276.376.3434.
