INSTITUTIONAL MISSION,
GOALS & VISION

OUR MISSION

The University of Virginia’s College at Wise, a public liberal arts institution, provides students with learning experiences that offer opportunities to develop the insight, competence, sensitivity, and integrity necessary for living enriched lives and for enriching the lives of others. Established in 1954 as a college of the University of Virginia, it is guided by the values of citizenship and altruism. Proud of its Appalachian heritage, the College continues to honor its commitment of service to Southwest Virginia, the nation, and the world. The College is guided by a legacy of teaching and scholarly excellence and by a dedication to quality in both the arts and sciences and professional programs. Above all, The University of Virginia’s College at Wise is a diverse community of people who believe that information can be transformed into knowledge and that teaching and learning create a foundation for wisdom.

Approved by the University of Virginia Board of Visitors on February 4, 2004. SCHEV staff reported approval to SCHEV Board on January 11, 2005. Re-affirmed by the University of Virginia Board of Visitors on June 5, 2014.

OUR GOALS & VISION

• To provide its students the finest possible education in the public liberal arts tradition that has guided the College since its inception.
• To give students the ability, confidence and initiative to use their undergraduate educational experience as a springboard for greater accomplishment.
• To encourage critical thinking among our students and enable them to make decisions based on research and evidence while retaining their commitment to fairness and compassion.

Through these goals, UVa-Wise students will be introduced to the concept of personal and professional excellence. By inculcating in them an appreciation for the benefits of lifelong education and teaching them the skills necessary to carry that habit forward, UVa-Wise is helping lay the foundation for the success of future generations. Through these habits, they will develop leadership skills based in honor, integrity, effort and knowledge. As a result, graduates of UVa-Wise are globally aware, prepared for the responsibilities of citizenship and poised to become stewards of their community, state, nation and world.

With these goals in mind, The University of Virginia’s College at Wise is striving to become an outstanding liberal arts college recognized for its commitment to and expansion of the College’s traditional liberal arts foundation. In order to achieve this, the College is committed to a series of endeavors that will strengthen the institution and its mission. UVa-Wise will continue to strengthen its liberal arts core in ways that will make it a regional leader in interdisciplinary education, engaged learning and community service. The College will increase its commitment to experiential learning through international study, guided research and internship opportunities. The College will utilize the liberal arts as a way to enhance and expand STEM-H programs. The student body will be better qualified, more inspired and possess greater diversity as primary elements in our path toward excellence. To fulfill our mission, the College will expand its outreach and service efforts within our local community and region. See the Rules & Regulations brochure which is provided at the time of registration, the Student Governance section of this handbook, or the Campus Police website (www.uvawise.edu/campuspolice) for more information.

**CAVS CARD — your official student ID card**

The Cavs Card is the official UVa-Wise student identification card. Cards are issued in the Post Office located on the 4th floor of the Slemp Student Center. Each card is $5.00. Cavs Cards are automatically validated each semester in the Cashier's Office after students have paid their tuition and fees. Replacement Cards are available for $15.00 each. Cavs Cards are non-transferable and expire when a student is no longer enrolled at the College.

Additionally, the Cavs Card serves as library card, athletic pass, student center pass, meal card, campus debit card, laundry card, vending card, and for door access in certain locations.

The Debit System allows students, faculty and staff to deposit monies on their card either online at https://uvawise.managemyid.com the value port located on the 4th floor of the Slemp Student Center, or at the Cashier's Office. Funds added to a student's declining balance account can be used to make ‘just like cash’ purchases in The Bookstore, Papa Joe’s, Post Office, Coyote Jack's/Mondo Subs, laundry rooms, and all concession stand locations. Dining Dollars can be purchased, but these funds can only be used in Smith Dining Commons, Papa Joes, Coyote Jack’s/Mondo Subs, and concession stand locations.

If you have questions about account balances or adding monies to your card, please visit https://uvawise.managemyid.com.

**CLUBS AND ORGANIZATIONS**

UVa-Wise provides a variety of clubs and organizations to enhance student life. Students also are encouraged to explore the creation of clubs and organizations not currently on campus. A list of current UVa-Wise campus clubs and organizations can be found on-line on the Student Activities office webpage at www.uvawise.edu/studentlife/clubs.

Please contact the Assistant Director of Student Activities and Recreation on the 3rd floor of the Slemp Student Center for current advisor information. Additionally, student groups desiring to organize on campus must first consult the Assistant Director of Student Activities and Recreation to initiate the process of establishing a new organization. Final approval of establishment of a new organization lies with the Senate of the Student Government Association.

**CULTURAL ACTIVITIES**

UVa-Wise demonstrates its commitment to the liberal arts by fostering a variety of cultural and artistic experiences for students including the Glenn & Jere Noel Blackburn Humanities Fund events, Alfred & Shirley Wampler Caudill Lecture in Entrepreneurship Series, Cohen-funded lectures and concerts, Colgate Darden Lecture Series, and Pro-Art Association plays, concerts, dance performances and lectures. These events also offer students the opportunity to earn required cultural activity credits. For more information about events approved for cultural activity credit, visit www.uvawise.edu/academicaffairs/cultural_activity_requirement.

**DINING SERVICES**

Dining Services provides convenient dining options in three campus locations. The Smith Dining Commons, named for long-time benefactor Hunter J. Smith, is located on the lower campus and serves as the College’s primary dining space. The Dining Hall is located on the upper level and provides a variety of all-you-can-eat menu options in a cafeteria-style setting for three meals per weekday and two on weekends. Papa Joe’s, downstairs in Smith, offers an additional on-campus dining location bringing Papa John's, the only national brand on campus. Yet another campus eatery on the fourth floor of the Slemp Student Center offers two fast food style options, Coyote Jack's Grill and Mondo's Subs. Coyote Jack's offers burgers, chicken and fries while Mondo's offers a variety of hot or cold subs, wraps & salads. The Books & Brew Café in the Wyllie Library provides espresso drinks, coffee, muffins, pastries, hot grilled panini sandwiches, salads & other snacks.

All residential students are required to purchase a meal plan — plans include the Cavalier Red, Cavalier White, and Cavalier Gray. Residential students are automatically enrolled in the Cavalier Red plan, but may choose to purchase the Cavalier White plan if more meals are desired. If they prefer, all upperclass residential students have the option to purchase the Cavalier Gray plan which would provide more Bonus Dollars and less block meals. Three meals per weekday and two on weekends are provided in the Dining Hall at Smith Dining Commons. Meal plans may also be used at Concession Stands during events (where available). Each time a meal is used, it is subtracted from the semester balance. Students may upgrade meal plans by contacting the Cashier’s Office at 276-328-0108.

Commuting students, faculty and staff may purchase a block meal plan consisting of 25, 50 or 80 meals to be used throughout each semester. Block meal plans provide the flexibility of carrying remaining meals over from week to week throughout the semester. Block plans are only good for one semester and may be used in the Dining Hall at Smith Dining Commons, the Slemp Student Center eatery and Papa Joe's Cafe.

2015-2016 UVa-Wise Student Handbook | 11
For even more flexibility, add Dining Dollars to your Cavs Card. Dining Dollars work much like a debit account. Simply add Dining Dollars to your Cavs Card and each time you make a purchase, the balance declines. There is a $25 minimum purchase and you may add more Dining Dollars any time throughout the year. Dining Dollars carry over from semester to semester but not year to year.

Visit www.dineoncampus.com/uvawise for more information. Please note: the Cavs Card ID serves as the meal card for all plans.

STUDENT GOVERNANCE

CODE OF CONDUCT

Expectations The College is a community of scholars in which the ideals of freedom of inquiry, freedom of thought, freedom of expression, and freedom of the individual are sustained. It is committed to preserving the exercise of any right guaranteed to individuals by the Constitution. However, the exercise and preservation of these freedoms and rights require a respect for the rights of all in the academic community to enjoy them to the same extent. It is clear that in a community of learning, willful disruption of the educational process, destruction of property, and interference with the orderly process of the College or with the rights of other members of the College cannot be condoned. Students enrolling in the College assume an obligation to conduct themselves in a manner compatible with the College's function as an educational institution. To fulfill its functions of imparting and gaining knowledge, the College retains the authority to maintain order within the College and exclude those who are disruptive of the educational process.

Students of the College are expected to conduct themselves in a manner befitting a civilized society, both within the College and elsewhere. For student conduct which is outside the jurisdiction of the Honor Court but which tends to discredit or injure the College, the Chancellor is authorized by the President of the University of Virginia to impose such penalty as he/she may deem appropriate, including expulsion from the College. This authority has been delegated by the Chancellor to the Clery Compliance & Student Conduct Administrator and the Student Conduct Board. The College reserves the right to suspend, enforce the withdrawal of, or expel a student who violates the Standards of Conduct. Generally, prohibited conduct for which a student is subject to discipline is defined as, but not limited to, the following:

1. Physical and/or emotional abuse of any person on College-owned or controlled property or at College-sponsored or supervised functions, or conduct which threatens or endangers the health or safety of others.
2. Sexual misconduct, including but not limited to: sexual assault, rape, fondling, harassment, stalking, domestic violence, and dating violence. Please note that all cases involving sexual misconduct will be adjudicated according to the Sexual Misconduct & Interpersonal Violence Policy. The full policy is available at www.uvawise.edu/compliance/sexualmisconduct.
3. Unauthorized entry/exit or occupation of College facilities which are locked, closed to student activities, or otherwise restricted as to use.
4. Intentional disruption or obstruction of teaching, research, administration or other College activities, or of other authorized activities on College property.
5. Possession, distribution and/or use of illegal narcotics or drugs, or drug paraphernalia; public intoxication; illegal/underage use of alcohol and/or tobacco products.
6. Falsely pulling or tampering with fire alarm or fire safety equipment.
7. Possession, storage, or use of any kind of weapons, firearms, fireworks or explosives. Please refer to the Weapons and Firearms Policy in the Student Handbook for the full policy and definitions. Please consult the Campus Police Department for additional information.
8. Theft, vandalism, destruction, or unauthorized movement of College property or personal property of other students, faculty, employees, or visitors.
9. Intentionally providing false identification or information to College officials.

10. Failure to exit the building or returning to the building before being told to do so by a College official during a fire alarm.

11. Failure to comply with the reasonable directions of a College official, including Campus Police officers, acting in performance of their duties.

12. Violations of published College policies or College regulations (Such regulations include the Housing Agreement, see Terms and Conditions section).

13. Knowingly violating the terms of any disciplinary sanction imposed in accordance with this Code or engaging in retaliatory behavior.

14. Conduct that is detrimental to the College or conduct that reflects negatively on the College community.

15. Every user of the College's computing resources, including but not limited to the email system, has the responsibility to use them in an ethical, professional, and legal manner. The primary use of these resources is to support the academic program; any other use may be inappropriate. Inappropriate uses may include but are not limited to the following:

   - sharing your account or password with anyone;
   - attempting to modify or access files or accounts without permission;
   - using resources for commercial or criminal purposes;
   - sending threatening, harassing, or obscene messages to any person, sending chain letters, or representing yourself as another user when sending messages;
   - using a machine or other resource (such as a modem) for non-academic purposes when other academic users are waiting; and
   - using resources for illegal copyright infringement activities.

17. Violations of the College Drug Policies.

18. Entry into designated construction/work zones.

In accordance with the Higher Education Opportunity Act (HEOA), the College will, upon written request, disclose to the alleged victim of a crime of violence or a non-forcible sex offense, the report on the results of any disciplinary proceeding conducted by the College against a student who is the alleged perpetrator of such crime or offense. If the alleged victim is deceased as a result of such crime or offense, the next of kin of such victim shall be treated as the alleged victim if so requested.

HONOR SYSTEM
UVa-Wise adopted an Honor System in 1956 under which all students pledge to cooperate in acting honestly and honorable. The Honor System is administered by an Honor Court composed of two representatives from each class. Upperclass representatives are elected by the student body each spring and freshman representatives are elected after the start of the fall semester. It is the job of the Honor Court to enforce the Honor System and to adjudicate violations. The Honor Court office and conference room are located in the Student Leadership Center on the third floor of the Slemp Student Center.

The Honor Court constitution is available online at www.uvawise.edu/academics/HonorSystem.

RESIDENCE HALL GUIDELINES
The 2015-16 Housing Agreement outlines policies, terms and conditions for UVa-Wise students who are residents of an on-campus housing facility. Students are responsible for reading and understanding the entire Housing Agreement available online at www.uvawise.edu/reslife. Students’ signatures on the Housing Application indicate agreement to abide by all terms and conditions.

STUDENT CONDUCT SYSTEM
Purpose The Student Conduct System of UVa-Wise is designed to support the purpose and mission of the College. A fundamental premise of the system is that students are expected to act responsibly so that each student has the opportunity to grow intellectually, spiritually, physically and socially. The System also is designed to encourage accountability by stressing the relationship inherent between individual action and consequences. The System is intended to be educational in nature, rather than punitive. The principles of fairness and reasonableness serve as foundations for the system, using a preponderance of the evidence to determine responsibility.

All student conduct violations accumulate during a student's time at the College. Student conduct records are maintained for a minimum of seven academic years.
Structure  The Student Conduct System of UVa-Wise is comprised of:

A.  Administrative settlements
Administrative settlements (in lieu of a hearing) may be offered to residential students for minor offenses in the residential community including, but not limited to, Health and Safety, noise, and visitation violations. Administrative settlements will be conducted by the Director of Residence Life or designee. The student may choose a hearing rather than sign an Administrative Hearing Form. If a student chooses to accept an administrative settlement, there will be no opportunity for appeal.

B.  Hearings
Hearings will be arranged to adjudicate all offenses not handled by administrative settlements. The Clery Compliance & Student Conduct Administrator will assign each case to a hearing (administrative or Student Conduct Board). An Advisor can be present but may not participate in hearings. Every effort will be made to consider the individual circumstances of each case to determine which type of hearing would best serve the student and the College in the student conduct process. The student conduct process is designed to be educational rather than punitive. Factors weighed in determining whether a case is heard by an administrative hearing or a Student Conduct Board hearing include, but are not limited to: need for expediency, severity of the alleged offense, sensitivity of the case, and student conduct history of the charged student.

1.  Administrative hearings
   a)  Administrative hearings will be provided when, in the judgment of the Clery Compliance & Student Conduct Administrator, there is a clearly demonstrated need to conduct an administrative hearing. Examples include cases involving alleged misconduct at the beginning or end of an academic semester when the Student Conduct Board cannot be convened or due to the expediency that may need to be exercised as a result of the severity of the alleged offense.

   b)  The Director of Residence Life, the Clery Compliance & Student Conduct Administrator, the Associate Vice Chancellor for Compliance & Conduct, and/or their designees may conduct administrative hearings.

2.  Student Conduct Board hearings
The Student Conduct Board shall be composed of five members. Membership shall consist of the following:

   a)  Three on-campus students nominated by the Director of Residence Life and approved by the Associate Vice Chancellor for Compliance & Conduct;
   b)  Two off-campus students nominated by the Student Government Association and approved by the Associate Vice Chancellor for Compliance & Conduct; and
   c)  The Clery Compliance & Student Conduct Administrator shall serve as advisor to the Board. He/she participates in discussions, but does not vote. The student Chair shall be elected by the student membership of the Board.
   d)  Note: Two alternates may also be selected, one from on-campus and one from off-campus using the process as described above.
   e)  Members must be in good academic and social standing with the College. Board members shall serve for one year and are eligible for re-nomination. A minimum of three Board members, not including the Clery Compliance & Student Conduct Administrator, is necessary to conduct a hearing. The Board shall meet regularly to hear cases.

C.  Appeals process
1.  For all decisions except suspension or expulsion:

   a)  All student conduct hearing decisions may be appealed in writing to the appropriate party within 48 hours of the decision and must state just cause for the appeal.

      1)  Decisions made by the Director of Residence Life may be appealed to the Clery Compliance & Student Conduct Administrator.

      2)  Decisions made by the Student Conduct Board or the Clery Compliance & Student Conduct Administrator may be appealed to the Associate Vice Chancellor for Compliance & Conduct.

   b)  The student may or may not be granted a hearing during the appeal process. If the student is granted an appeal, the hearing will be completed within seven (7) business days of receipt of the appeal request.

2.  For suspension and expulsion appeals:

   a)  Unless the original decision is rendered by the Associate Vice Chancellor for Compliance & Conduct, the student has the right of two appeals.

      1)  The first appeal would be heard by the Associate Vice Chancellor for Compliance & Conduct (and/or designee) and the second appeal would be heard by the Chancellor (or designee).
2) If the student is suspended or expelled by the Associate Vice Chancellor for Compliance & Conduct, the student may appeal only to the Chancellor (or designee).

b) Requests for first appeal must be initiated in writing to the Associate Vice Chancellor for Compliance & Conduct (or to the Chancellor (or designee) if suspended/expelled by the Associate Vice Chancellor for Compliance & Conduct) by the student within 48 hours of the decision and must state just cause for the appeal. Upon review of the appeal request, the student may or may not be granted a hearing. If the student is granted a hearing, it will be completed within seven (7) business days of receipt of the appeal request. If a hearing is granted, it may be audio recorded and maintained as part of the student conduct record.

c) Requests for second appeal are only available to those students who had a first appeal hearing with the Associate Vice Chancellor for Compliance & Conduct (and/or designee). This appeal request must be initiated in writing to the Chancellor (or designee) by the student within 48 hours of the first appeal decision and must state just cause for the appeal. Upon review of the appeal request, the student may or may not be granted a hearing. If a hearing is granted, it may be audio recorded and maintained as part of the student conduct record.

Sanctions Any of the following sanctions, or combinations of sanctions, may be imposed on a student responsible for a Code of Conduct violation. All sanctions are noted in a conduct record. Disciplinary action other than those outlined below may be taken as the situation warrants. Failure to abide by the imposed sanction may result in additional charges.

14. **Suspension** Exclusion from classes and other privileges or activities or from the College, as set forth in the notice of suspension, for a definite period of time.

15. **Expulsion** Termination of student status for an indefinite period of time.

The student may have the option of waiving the 48-hour notice. It is the student's responsibility to appear at the scheduled hearing. Failure to appear may lead to additional charges. The case will be heard even if the student does not appear and he/she has received the proper notice.);

It is the responsibility of every member of the College community to know the risks associated with substance use and abuse. This responsibility obligates students and employees to know relevant College policies and federal, state and local laws and to conduct themselves in accordance with these laws and policies. To these ends, the College publishes the following information regarding College policies and sanctions; laws and penalties concerning substance use and abuse; health and behavioral risks of drug use; and resources for treatment and educational programming.

ALCOHOL POLICY
The College hopes the Alcohol Policy will encourage students to make responsible decisions about the use of alcoholic beverages. The policy is intended to promote safe, legal and healthy decisions related to alcohol and social interaction. We recognize that our students are responsible adults and believe that students should behave in a manner that is not disruptive or endangering to themselves or others and is in compliance with state and local laws regarding the possession, consumption, sale, and delivery of alcohol.

UVA-Wise does not encourage the use of alcoholic beverages and does not condone the illegal or otherwise irresponsible use of alcohol. In accordance with State and Federal law, the College prohibits the unlawful possession, use or distribution of alcohol on College property or at College-sponsored functions. All members of the College community are expected to know and act in accordance with Virginia State laws concerning the purchase, possession, consumption, sales and storage of alcoholic beverages. In this connection, members of the College community are reminded of the following:

1. Any sale of an alcoholic beverage requires an ABC license.
2. Alcoholic beverages are not to be given or sold to persons who are under the legal drinking age, which is 21 years of age.
3. Alcoholic beverages are not to be given or sold to persons who are intoxicated.
4. State law prohibits drinking in unlicensed public places; possession of an alcoholic beverage by a person under the legal drinking age; falsely representing one's age for the purpose of procuring alcohol; and purchasing an alcoholic beverage for a person who is under the legal drinking age. Violations of state alcohol laws are criminal misdemeanors punishable by fines of up to $2,500, imprisonment for up to 12 months, and suspension of driver's license.
5. All persons on College property consuming or possessing alcohol must carry a valid driver's license or state identification card, military identification card, or passport. In addition, students must carry their CAVS ID Card at all times.
6. Being under the influence of any amount of alcohol while underaged is considered a violation of the alcohol policy.
7. Unsafe or irresponsible behavior is defined as actions that are harmful or potentially harmful to one's self or others involving the use of alcohol. Unsafe behavior includes, but is not limited to, consuming through beer bongs, participating in or facilitating drinking games or progressive parties, taking shots of liquor, or consuming an excessive quantity in a short amount of time. Irresponsible behavior includes, but is not limited to, the use or attempted use of fraudulent identification in order to obtain alcohol or making alcohol available to underage drinkers.
8. It shall be a violation of the alcohol policy to engage in an action while under the influence of alcohol that is disruptive to the community. Such behavior includes, but is not limited to, vomiting in public, public urination, fighting, exhibiting disorderly conduct, damaging property, throwing bottles, blocking or lying across or otherwise preventing or interfering with access to or passage across an entryway or thoroughfare, or cursing or shouting at others.
9. In the residence halls, alcohol is only allowed in the rooms of legal age residents in facilities that have not been designated alcohol-free. It is the responsibility of those residents who are of age to ensure that underage drinking does not occur in their room or apartment.
10. The use of alcoholic beverages as a prize in a contest, drawing, lottery, etc., is prohibited.
11. The use of alcoholic beverages in games (e.g., quarters, drink-offs, "beer pong," etc.) is prohibited.
12. Only university-approved bartenders are permitted to distribute alcohol on campus, including alcohol from common-source containers.
13. Except at events in a licensed facility providing a cash bar, no spirituous liquor or fortified wines may be served to undergraduates.
14. Alcohol may not be brought in glass containers to BYOB events that require registration by submission of an Event Planning Form.
15. The College recognizes the value of group-sponsored social events. Groups are permitted to hold open or closed (by invitation only or through the use of guest lists) social events. Groups or individual group members may be held accountable for underage possession, unsafe or irresponsible behavior and/or violations of the risk management policy that occur during a group-sponsored event.

16. All club or organization events without alcohol require completion of the General Events Planning Form, and those events with alcohol require completion of the Alcohol Event Planning Form. The appropriate form must be submitted to the Office of Student Activities at least seven (7) days prior to the event. The event cannot move forward or be held until approval is granted. See the appropriate planning form for specifics.

Any member of the College community who violates state alcohol control laws is subject to prosecution. Whether or not criminal charges are brought, all students are subject to College discipline for any violation of state alcohol laws that occurs (i) on College-owned or leased property, or (ii) at College-sponsored or supervised functions, or (iii) under other circumstances involving a direct and substantial connection to the College. Any student found to have engaged in such conduct is subject to the entire range of sanctions, including suspension and expulsion.

UVa-Wise assumes no responsibility for any liability incurred at any event not sponsored by the College where alcohol is served and/or sold. Students and recognized student organizations are always expected to conduct themselves in accordance with the laws of the Commonwealth of Virginia and to assume full responsibility for their activities and events. See No. 11 under Student Conduct Sanctions in the Student Code of Conduct section.

Areas of Emphasis

1. The Chancellor and his/her designee approve all public areas on the campus of The University of Virginia’s College at Wise where alcoholic beverages may be provided.

2. College funds may not be used for the illegal purchase of alcoholic beverages.

3. Alcoholic beverages purchased with College funds may be used only in compliance with State law.

4. Alcoholic beverages should not be served at any function or event sponsored by the College or held on College-owned or leased property without the permission of the Chancellor or his/her designee. Requests for permission must be made in advance to the Chancellor or his/her designee.

5. Non-alcoholic beverages and food items should be present at the College-sponsored events where alcoholic beverages are served.

6. Alcoholic beverages should not be mentioned in the advertising or publicizing of a College-sponsored event.

7. Organizations serving alcohol at College-sponsored events should not permit the entry or exit of persons with beverage containers.

8. Organizations must check for proper age identification of individuals attending events when alcohol is served. Organizations must submit an Alcohol Event Planning Form for approval at least seven (7) days before an event. The event cannot move forward or be held until approval is granted. See the appropriate planning form for specifics.

9. A student may not let another person use his/her student ID for the purpose of obtaining an alcoholic beverage.

10. Dining Services is the only organization eligible to obtain an ABC license for the purpose of selling alcoholic beverages on campus.

11. Any organization, as well as its leadership, sponsoring an event at the College will be responsible for following all State laws relative to the serving and/or selling of alcoholic beverages.

12. Members of the College community living on property owned or leased by the College, and their invited guests, who are lawfully permitted to purchase, possess and consume alcohol, may do so in the residence or on any immediately adjacent area devoted to residential use. They should not do so, however, in public places or in any area owned by the College which is devoted to common use. Public areas include, but are not limited to, hallways, lounges, patios or parking lots. The presence of underage family members, employees or guests does not preclude the serving of alcohol in College-owned or leased housing provided an appropriate of-age family member and/or host is willing to assume the legal responsibility for ensuring compliance with state law.

13. The possession of kegs, pony kegs, beer bongs, or any common source container is prohibited in College-owned residence facilities or at College organization events.

14. Possession of alcohol is prohibited in residence facilities where none of the permanent residents are of legal drinking age.
15. Intoxication is strictly prohibited.

**DRUG POLICY**

Unauthorized manufacture, distribution and possession of "controlled substances" (illegal drugs), including marijuana, cocaine and LSD, are prohibited by both state and federal law and are punishable by severe penalties. The College does not tolerate or condone such conduct. Students who violate state or federal drug laws may be referred by College authorities for criminal prosecution and, if convicted, may be subject to the penalties described herein.

Whether or not a criminal charge is brought, a student is also subject to College discipline for illegally manufacturing, distributing, possessing or using any controlled substance (i) on College-owned or leased property or (ii) at College-sponsored or supervised functions or (iii) under other circumstances involving a direct and substantial connection to the College. Any student found to have engaged in such conduct is subject to an entire range of sanctions, including suspension or expulsion.

**Federal and State Penalties**

Under the Federal Controlled Substance Act and the Virginia Control Act, the law penalized for unlawful manufacturing, distribution, use and possession of controlled substances. The penalties vary based on the type of drug involved, possession and intent to distribute. Federal law sets penalties for the first offenses ranging from one year to life imprisonment and/or $100,000 to $4 million fines. Penalties may include forfeiture of property, including vehicles used to possess, transport or conceal a controlled substance or denial of Federal benefits such as student loans and professional licenses. Convictions under State law may be misdemeanor or felony crimes with sanctions ranging from six month to life imprisonment and/or $250 to $100,000 fines.

Federal law holds that any person who distributes, possesses with intent to distribute, or manufactures a controlled substance in, or within one thousand feet of an educational facility is subject to a doubling of the applicable maximum punishments and fines. A similar state law carries sanctions of up to five years imprisonment and up to $100.00 fine for similar violations.

**Drug-Free Workplace Policy**

The use of alcohol by employees while on The University of Virginia's College at Wise owned or controlled property, including meal periods and breaks, is absolutely prohibited except when authorized by the College for approved College functions. No employee will report to work while under the influence of alcohol or illegal drugs. Violations of these rules by an employee will be reason for evaluation/treatment for a substance use disorder or for disciplinary action up to and including removal. This policy applies to all employees (full-time, part-time, students. etc.)

**Health and Behavioral Risks**

The negative physical and mental effects of the use of alcohol and other drugs are well-documented. Use of these drugs may cause: blackouts, poisoning and overdose; physical and psychological dependence; damage to vital organs such as the brain, heart and liver; inability to learn and remember information; and psychological problems including depression, psychosis and severe anxiety. Risks associated with specific drugs are described later in this section. Impaired judgment and coordination resulting from the use of drugs associated with acquaintance assault and rape: DUI/DWI arrests; hazing; falls, drowning and other injuries; contracting sexually-transmitted diseases including AIDS; and unwanted or unplanned sexual experiences and pregnancy.

The substance abuse of family members and friends may also be of concern to students. Patterns of risk-taking behavior and dependency not only interfere in the lives of the abuser, but can also have a negative impact on the affected students' academic work, emotional well-being and adjustment to college life.

Students who are concerned about their own health or that of a friend should consult a physician or mental health professional. More information and assistance can be obtained by contacting one of the College's substance abuse resources listed in this policy or a community resource listed in the yellow pages of the telephone directory.

**COPYRIGHT POLICY FOR STUDENTS**

The College is committed to maintaining traditional incentives for scholarly work and its dissemination while protecting, within the framework of copyright law, the rights of individuals and the College. Students shall retain all rights related to copyright ownership of materials they have prepared on their own initiative. The copyright in an original work which a student develops in connection with course work and which is copyrightable shall belong to the student.

In the case of a work which a student develops through significant use of College equipment, facilities, personnel, or resources, or a work which a student produces through the use of sponsor-provided resources administered and controlled by the College, the College may claim a copyright interest, particularly if such works are not related to coursework. In such a case, if the work generates royalty payments or if the work is of commercial value that can be realized by College marketing efforts, the College will share royalties with the author(s).

Copyright ownership issues may be more complicated where students are also College employees. In those instances, the College would observe the following University policy to determine ownership...

The Academic Dean is responsible for administering the student copyright policy.

DEGREE REVOCATION
In the event a student is found responsible of some behavior through the Student Conduct Board, Honor Court, or Administrative Settlement or Hearing, possible sanctions can include denying the student further membership in the College community and therefore the student is not entitled to hold or receive a degree from The University of Virginia’s College at Wise. In such cases a recommendation is made to revoke degrees awarded to students who have breached the Honor Code or Student Code of Conduct during their tenure as students, following proceedings consistent with due process of law.

DOMESTIC ANIMAL AND WILDLIFE MANAGEMENT
This policy is developed in the event a domesticated animal or wildlife needs to be removed from campus grounds. The following procedures should be utilized. Efforts should be made to remove any animal from campus in the most humane manner possible.

Removal of domesticated animals In the event the animal is domesticated (i.e., dog, cat, etc.) the Wise County Animal Control Officer will be contacted. The Animal Control Officer will assume primary responsibilities for the removal of the animal, unless there is clear and imminent danger and time is of the essence. The standard practice and procedures for capture, removal, and/or disposal of the animal will be the responsibility of the Animal Control Officer.

Removal of wildlife The Wise County Game Warden will be contacted to provide guidance on the best means for removal of the animal, unless imminent danger is present. The Wise County Game Warden will have responsibility for the removal, relocation, and/or subsequent disposal of the animal.

Any wildlife or domesticated animal that is inadvertently killed on campus as a result of vehicular traffic will be buried by Campus Police or Physical Plant personnel. In addition to consultation with the Wise County Game Warden, it may be prudent to consult with local rehabber(s) that are predetermined by Campus Police and recommended by the Wise County Game Warden.

Notification of the campus community On an annual basis, Campus Police will provide to the campus community a written reminder that it is ill advised for any employee or student to feed wildlife. The Chief of Campus Police will have the responsibility and duty of implementing this policy. The policy will be issued as standing orders.

GRIEVANCE PROCEDURES
Academic Grievance Procedure
Students who have a grievance relating to a faculty member, department chair, or dean are invited to discuss their academic grievance in the following manner:

- Concerns related to a faculty member that cannot be resolved between the two parties should be discussed with the Department Chair on a person-to-person basis;
- Should the concern be related to the Department Chair, the grievance would be filed with the Academic Dean;
- Should the concern be related to the Academic Dean, the grievance would be filed with the Provost;
- Should the level of concern relate to the Provost, appropriate documentation should be presented in writing to the Chancellor of the College.

For additional information about Academic Grievances, Complaints and Appeals, visit the College Catalog at www.uvawise.edu/academics/college_catalog.

Student Life / Non-Academic Grievance Procedure
The respect for others and the value of diverse opinions and viewpoints is critical in resolving concerns. Informal, candid discussion should always be a primary goal. As part of the educational process, students are encouraged to mediate concerns themselves leading to amiable resolution of disagreements.

If informal, candid discussion is not successful in resolving an issue, the student should follow this procedure: A student may submit a formal written grievance within 30 calendar days of the event or encounter in question. The written grievance must contain the following: the date of the alleged incident, a statement indicating the college policy, regulation, or rule which the student alleges has been violated and any individuals who are allegedly involved in the violation; a statement summarizing any action the student has taken to attempt to resolve the matter prior to filing the complaint and the results, if any.

The Vice Chancellor for Enrollment Management & Student Life or his/her designee will review the written grievance and schedule a meeting with the student within 5 (five) business days. The Vice Chancellor for Enrollment Management & Student Life or his/her designee will conduct an investigation if circumstances require additional information. The Vice Chancellor for Enrollment Management & Student Life or his/her designee will issue a response, either through a scheduled meeting with the student or a written response, within seven (7) business days of the initial meeting with the student who filed the written grievance.

If a satisfactory resolution is not achieved, the student may appeal in writing to the Chancellor. For concerns related to the Vice Chancellor for Enrollment Management and Student Life, consultation and written complaints should be directed to the Chancellor.
NOTE: Grievances related to the Student Conduct System are to be directed to the Associate Vice Chancellor for Compliance & Conduct using the procedure outlined above.

Title IX Grievance Procedure
Title IX of the Education Amendments of 1972 (20 U.S.C. § 1681) is an all-encompassing federal law that prohibits discrimination based on gender in all academic, educational, extracurricular, athletic and other programs and activities of students and employees of educational institutions which receive federal financial assistance. Sexual harassment, sexual assault and other acts of sexual misconduct are forms of sex discrimination prohibited by Title IX. The prohibition against gender discrimination applies regardless of whether the activity is conducted on campus, off campus, in transit or if sponsored at other locations. In addition to protecting UVa-Wise students, faculty and staff, Title IX and UVa-Wise policy protect third parties from sexual harassment or sexual misconduct in College programs and activities. The University of Virginia’s College at Wise does not discriminate on the basis of sex/gender, race, color, age, creed, national or ethnic origin, physical or mental disability, veteran status, pregnancy status, religion, genetic information, gender identity, or sexual orientation in its employment practices or educational programs and activities. The College operates equal opportunity and affirmative action programs for faculty, staff, and students. UVa-Wise is an Equal Opportunity/Affirmative Action Employer.

The Title IX Coordinator at The University of Virginia’s College at Wise is Tabitha Smith whose office is located in Cantrell Hall, 1 College Avenue, Wise, VA 24293. If an individual has a grievance related to a Title IX concern or for additional information, contact Tabitha Smith at 276-328-0131 (office), 276-870-5065 (cell) or tabitha.smith@uvawise.edu.

HAZING
Hazing is prohibited under the State statute on hazing (Virginia Hazing, Criminal and Civil Liability, Code of Virginia, 18.2-56) as well as by College policy. The College does not condone hazing in any form. The term “hazing” means any action taken or situation created by a member(s) of a student organization toward one or more organization members or toward prospective members (as a part of the new member selection process), that occurs on College-owned or leased property or at College-sponsored or supervised functions or events, or the local residence of any College student, faculty member, or employee, and that is designed to or produces mental or physical harassment, discomfort, or ridicule. Such activities and situations include, but are not limited to, creation of excessive pressure or intimidation, or psychological shock, fatigue, stress, injury, or harm. Student organizations and/or individual members found to have engaged in hazing shall be in violation of College policy and may also be in violation of the State statute. See the Student Organization Handbook for more information.

IN Voluntary Withdrawal
Students may be involuntarily withdrawn from the College for habitual delinquency in class, habitual idleness, through either a student conduct or honor court process, or any other fault that prevents the student from fulfilling the purpose implied by registration at the College. Students who have been involuntarily withdrawn must apply for re-admission to the Admission’s Office in the same manner as a suspended student.

Students who display behavior that is disruptive to the educational process may be required to complete an assessment with a college counselor. Based on recommendations from the counseling staff and the Clery Compliance & Student Conduct Administrator to the Associate Vice Chancellor for Compliance & Conduct, a student may be involuntarily withdrawn from the College.

Parental Notification Policy
According to the Family Educational Rights and Privacy Act (FERPA), “When a student turns 18 years old or enters a postsecondary institution at any age, all rights afforded to parents under FERPA transfer to the student. However, FERPA also provides ways in which schools may share information with parents without the student’s consent.” The decision to contact a parent or guardian and the subsequent phone call will be made and documented by the Associate Vice Chancellor for Compliance & Conduct or his/her designee and may occur in the following circumstances:

- “... if the student who is under age 21 has violated any law or its policy concerning the use or possession of alcohol or a controlled substance”
- “... if a health or safety emergency involves their son or daughter”

The decision to notify a parent or guardian in these circumstances is not intended as a punitive measure. Rather, the College will notify a parent or guardian in order to establish a supportive and encouraging network of resources for the student.

The Virginia General Assembly has enacted legislation (HB1005) which requires mental health providers to notify parents when dependent students receive mental health treatment if the student is found, by the professional counseling staff, to be in a state of psychological emergency, i.e. “there exists a substantial likelihood that, as a result of mental illness the student will, in the near future (i) cause serious physical harm to himself [herself] or others as evidenced by recent behavior or any other relevant information, or (ii) suffer serious harm due to his [her] lack of capacity to protect himself [herself] from harm or to provide for his [her] basic human needs.”
The bill allows such notification to be withheld if the student’s treating physician or treating clinical psychologist has made a part of the student’s record a written statement that, in the exercise of his professional judgment, the notification would be reasonably likely to cause substantial harm to the student or another person.

The College’s professional counseling staff in the Center for Student Development will notify the Vice Chancellor for Enrollment Management & Student Life or his/her designee when the professional counseling staff provides treatment to a student who meets the criteria for parental notification under this legislation. The Vice Chancellor for Enrollment Management & Student Life or his/her designee will contact the parent(s) or legal guardian of any student meeting the criteria for parental notification and document the contact.

PETS

Pets are not permitted in College buildings by state law. Pets may be walked outdoors on campus grounds, but must be appropriately leashed or caged and under the control of and accompanied by their owners. Pets must not be left unattended. Pet owners must clean up after their pets while on campus. Pet owners shall be held responsible for any personal injury or property damage inflicted by their pets.

Exceptions to this policy are limited to service animals; animals under the control of and used by academic departments for approved teaching and/or research purposes.

The police have the right to pick up and hold unattended pets and any pet, whether or not under an owner’s control, constituting a public hazard or nuisance. Pets creating a nuisance may be banned from campus by the College Police.

The Office of Housing & Residence Life promulgates and administers policies governing pets in residential facilities.

SEXUAL MISCONDUCT & INTERPERSONAL VIOLENCE

UVa-Wise is committed to maintaining a respectful, professional and nondiscriminatory working environment for students, faculty, staff, and visitors. This includes having an environment free from sexual and gender-based harassment, sexual assault, intimate partner violence, stalking, sexual exploitation, complicity and retaliation (“Prohibited Conduct”). The College will take prompt and equitable action to eliminate Prohibited Conduct, prevent its recurrence, and remedy its effects.

To foster a climate of respect and security on campus as it relates to preventing and responding to acts of Prohibited Conduct, this policy has been created and serves to demonstrate the College’s commitment to:

- Identifying the forms of Prohibited Conduct that violate this policy;
- Disseminating clear policies and procedures for responding to Prohibited Conduct reported to the College;
- Delivering primary prevention and awareness programs and ongoing training and education campaigns to students and employees so they may identify what behavior constitutes Prohibited Conduct; understand how to report such misconduct; recognize warning signs of potentially abusive behavior and ways to reduce risks; and learn about safe and positive options for bystander intervention that may be carried out by an individual to prevent harm or intervene when there is a risk Prohibited Conduct against a person other than such individual;
- Engaging in investigative inquiry and resolution of reports that are adequate, reliable, impartial, prompt, fair, and equitable;
- Supporting complainants and respondents and holding persons accountable for established violations of this policy; and
- Providing a written explanation of the rights and options available to every student or employee that has been the victim of Prohibited Conduct, regardless of when or where the conduct occurred.

In addition, this policy:

1. Identifies the College’s Title IX Coordinator, Deputy Title IX Coordinator, and Title IX Investigators, and describes their roles in compliance with Title IX, the Clery Act and VAWA.
2. Identifies how students and employees can report Prohibited Conduct to the College confidentially and what resources are available both on and off campus to aid them, including employees’ and students’ rights to notify local law enforcement and their right also to decline to notify such authorities.
3. Provides information about how reports are assessed, investigated, and resolved.
4. Provides the College with a means to take all reasonable steps to identify Prohibited Conduct, prevent recurrence, and to correct its discriminatory effects on the complainant and others, if appropriate.

The UVa-Wise Sexual Misconduct & Interpersonal Violence Policy is available at www.uvawise.edu/compliance/sexualmisconduct.

Notice of Non-Discrimination/Notice of Coordination

The College is committed to maintaining an environment free from harassment and discrimination for everyone and does not discriminate on the basis of race, sex, national origin, religion, sexual orientation, gender identity or expression, or any other protected status. The College does not discriminate on the basis of sex or gender in any of its education or employment programs and activities. This policy prohibits specific forms of behavior that may violate Title IX of the Education Amendments of 1972 (Title IX); relevant provisions of the Violence Against Women Reauthorization Act of 2013 (VAWA); Title VII of the Civil Rights Act of 1964 (Title VII); the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act); and the Virginia Human Rights Act.
The College recognizes that it is important to coordinate this policy with other existing policies related to harassment and discrimination knowing that harassment related to an individual’s sex, sexual orientation, gender identity or gender expression can occur in conjunction with misconduct and harassment related to a person’s race, ethnicity, national origin, religion, age, pregnancy or parenting status, disability, or other protected status. Therefore, when a report is made of harassment or discrimination based on sex as well as harassment or discrimination based on some other protected status, the College’s response will be governed by the procedures referenced in this policy. Questions about which policy applies in a specific instance should be directed to the Title IX Coordinator.

Employees should seek further information regarding equal opportunity, disability, harassment, discrimination and retaliation that is not based on sex or gender with:

**TOBACCO PRODUCTS USE POLICY**

The University of Virginia's College at Wise is dedicated to providing a healthy, comfortable, and productive learning environment for faculty, staff, and students. Smoking and/or the use of other tobacco products pose a significant health risk to both individual members and the campus community at large. All members of the UVa-Wise community, as well as visitors on campus for events, receptions, and classes, are responsible for abiding by the tobacco products policy outlined below.

The College prohibits any tobacco product use within all campus buildings, residence halls, seating areas/stands of outdoor athletic facilities, and College-owned vehicles. Tobacco product use is also prohibited within 25 feet of the entrance to campus buildings, residence halls and the seating areas/stands of outdoor athletic facilities.

For the purposes of this policy, "tobacco product" is defined as any substance containing tobacco leaf including but not limited to: cigarettes, cigars, blunts, bids, pipe tobacco, hookah tobacco, chewing tobacco, dipping tobacco, snuff, nicotine vapor products (e.g. electronic cigarettes), alternative nicotine products and any other items containing or reasonably resembling tobacco or tobacco products. "Tobacco product use" includes smoking, chewing, dipping, or any other use of tobacco products.

The policy does not include any cessation product specifically approved by the U.S. Food and Drug Administration for use in treating nicotine or tobacco addiction.

**USE OF COPYRIGHTED MATERIALS**

It is the policy of the College to respect the copyright protections given by federal law to owners of intellectual property, including books, journals, music, art, multi-media materials, digital materials and software ("Copyright-Protected Materials") It is against College policy for faculty, staff, or students to use College equipment, services, or facilities to access, use, copy, reproduce, distribute, or display Copyright-Protected Materials except as permitted under copyright law. Application of the legal principle of "fair use" or other exemptions under the Copyright Act (Title 17 U.S.C) which protect many teaching and learning activities; obtaining the permission of the copyright holder; or receiving a license to use Copyright-Protected Materials; are ways to address the federal copyright requirements. It is the individual responsibility of faculty, staff and students to comply with this policy in all College programs and activities and in use of all College equipment, services, or facilities. The College Library and Information Technology can provide copyright guidance and information resources.

Copyright-Protected Materials include software, library, and other technology and information resources provided through the College for use by faculty, staff, and students. Such materials must be used for teaching, education, and research activities consistent with the licenses that have been entered into by the College.

Special requirements apply to public performance of motion pictures and videos. Federal law grants copyright owners the exclusive right to perform motion pictures in any "place open to the public or at any place where a substantial number of persons outside a normal circle of a family and its social acquaintances is gathered." (United States Code, Title 17, Section 101). Students should be aware that dormitories, clubs, fraternities and sororities may also be "semipublic" places. Further information regarding the showing of videotapes can be obtained by contacting the Assistant Director of Student Activities in the Slemp Center at 376-3430.

Under federal law, violations of copyright law may result in civil and criminal penalties, including imprisonment. The College regards violation of its copyright policy as a serious matter. Any such violation is without its consent and is subject to appropriate disciplinary action or sanction ranging from loss of access to the relevant College services, resources, or property (including computing privileges) to dismissal or removal from the College as determined by applicable employment or student disciplinary policies. In the event that the campus is in lockdown, no one is permitted to leave the campus. Do NOT go to your vehicle, do NOT leave buildings, do NOT go to class/meetings, etc.

Immediately seek shelter in the nearest secure location, lock and barricade doors, and stay behind solid objects away from the door and windows. Stay quiet and calm. Minimize noise that may draw attention to your location – turn off lights, computers and radios, and put cell phones on vibrate.

If you have knowledge of an incident or assailant, call 911 when it is safe and provide as much detailed information as possible, including location, description, etc.

Follow all directions of authorities; do not challenge law enforcement.

**THREAT ASSESSMENT TEAM**

UVa-Wise has established a Threat Assessment Team to help preserve the safety and security of the campus community in collaboration with other College services and in accordance with requirements outlined in the Code of Virginia (23-9.2:10). The UVa-Wise Threat Assessment Team (TAT) provides consultation to the College in any circumstances in which there is concern that involves students, staff members, visitors, and others who may pose a danger to harm self, others, or the campus community. The team seeks to identify concerns early and then evaluates, develops plans, pursues resources, and responds to any potential threat before problems escalate into violent outcomes. The team’s goal is to maintain the safety of those involved as well as the safety of the campus community. We encourage everyone in the College community to be willing to seek help for themselves or others when there are safety concerns. For more information visit [www.uvawise.edu/threat_team](http://www.uvawise.edu/threat_team).

In an urgent situation, please call 9-1-1 and seek advice for immediate action or referral to an appropriate resource.
